Committee Updates

BLUTC Surveyed the neighborhood for curb cuts and will follow up on select missing ones with the appropriate entities.

NEIGHBORHOOD GARDEN – Those involved with the bullseye glass settlement are interested in placing an air quality monitoring station

Work parties are not being attended in the garden.

FOBP

The next galea will be at the new Sacred Heart Center.

Code Change

Civic Life - SEUL was not able to come to a conclusion on whether they can take a position on the proposed change. Neighborhood associations are voicing their support.

We would like to begin the process of writing our own letter opposing the change.
