

# Where do you want new public trash cans?

In Fall 2021, the City will add 182 new public trash cans throughout Southeast Portland.

This will increase the total number of City-provided and serviced trash cans in Southeast Portland to 217.

Cans can be placed on public sidewalks, including near businesses, schools, and intersections. (They cannot be placed in parking lots or other private property.)

The trash cans will be emptied twice a week by a women or minority-owned trash hauler (currently being selected). We will be partnering with local arts groups to select artwork for the outside of the cans.
